*Proceedings of the Madras Government, Public Works Department,
17th February 1866.*

No. 380. Read the following letter from the Acting Consulting Engineer for Railways, to the Secretary to Government, Department Public Works, dated Madras, 8th February 1866, No. 65 :—

1. I have the honor to submit, for the consideration and orders of Government, a bill for Rupees 25-12-11, being the amount of my deputation allowance for the 30th and 31st January last, as Acting Consulting Engineer for Railways, in accordance with G. O. of the 16th ultimo.

2. The bill was sent, in the usual way, to the Controller of Public Works Accounts, to be audited. He has returned it "unaudited," and has referred me to the concluding sentence of paragraph 8 of the Financial Resolution of the Government of India, dated 28th November 1864, No. 3,365.

3. The sentence referred to is as follows :—"And the Rule under which the first month's acting allowance is not passed to Officers officiating at the station where they are permanently posted, will also be applied to the Public Works Department."

* *Vide* Civil Auditor's Manual, Chapter II., page 14.

4. Clauses 88, 90, 91, and 92 of the Civil Service Rules,* to which the Resolution and sentence above quoted apply, clearly establish my claim to deputation allowance from the date I took charge of the Office of the Consulting Engineer.

5. The Under Secretary to Government in the Public Works Department, is not a "subordinate Officer," in the sense in which those words are applied in Clauses 88 and 90 of the Civil Service Rules, to the Consulting Engineer, but holds an office "altogether distinct" from him; nor are the duties of the Consulting Engineer confined to the same station, as those of the Under Secretary to Government in the Public Works Department. The Consulting Engineer may be at Madras to-day, and at Bangalore, Beypoor or elsewhere to-morrow, so that under no circumstances can the sentence to which my attention has been drawn by the Controller be made applicable to me.

6. The deputation allowance is calculated in conformity with the Rule laid down in paragraph 7, Clause 20 of the Resolution† of the Government of India, as the Consulting Engineer draws a consolidated salary.

No. 381. ORDER THEREON, 17th February 1866, No. 564.

RAILWAY, No. 30.

1. The Government concur in the opinion expressed in this letter that the Rule under which the first month's acting allowance is not passed to Officers officiating in appointments at the stations where they are permanently posted does not apply to the case of Major Shaw Stewart, whose substantive appointment as Under Secretary to Government in the Public Works Department is, in no way, subordinate to that of the Consulting Engineer for Railways.

*Proceedings of the Madras Government, Public Works Department,
17th February 1866.*

2. The Controller is accordingly authorized to pass to Major Stewart, from the 30th ultimo, the prescribed deputation allowance, viz., 20 per cent. on the consolidated salary attached to the appointment of Consulting Engineer for Railways, in addition to his substantive emoluments as Under Secretary to Government.
