Officer's claim to count service for pension from the date of his first appointment in the Public Works Department, viz., the — July 1851, since which date his service in the Department has been continuous.

2. It appears to be a clear case, and the only reason for troubling Government with this reference is, that in the annual Lists of the Establishment of the Public Works Department, Mr. Sage's first appointment to the Department is dated from his promotion to the *then* special class of Uncovenanted Assistant Civil Engineers, his previous service in the subordinate grade of the Department being ignored.

No. 397. ORDER THEREON, 17th February 1866, No. 572.

ESTABLISHMENT, No. 33.

1. As it has been recently ruled by the Government of India that "service performed during the currency

"of a Military contract cannot be allowed to count towards pension from the Civil Department, and that deviations from this rule are not to be permitted," Mr. Sage can only reckon for pension under the Uncovenanted Service Rules his services subsequent to the 24th April 1855, the date on which he was appointed to the grade of an Assistant Engineer.

2. Captain Ryves is authorized to enter in his next annual List of Establishments the date of Mr. Sage's appointment as an Assistant Overseer, as that of his first entertainment in the Public Works Department.
