*Proceedings of the Madras Government, Public Works Department,
19th February 1866.*

No. 425. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 10th February 1866, No. 4,105 :—

1. With reference to the Order of Government No. 372, dated 9th February 1865, I have the honor to forward a plan, approved of by His Excellency the Commander-in-Chief, and an estimate Rs. 3,480

2 Plans.
1 Estimate.

for adding fifteen additional seats to the new privies already erected for the men of the European Regiment in Fort Saint George, and also for a dry earth store and cart sheds, as called for in G. O. No. 1,130, dated 27th April 1865.

2. The proposed mode of construction of these privies is precisely similar to that which has been adopted in those already completed.

3. A sum of Rupees 2,500 was entered in the Budget of 1866-67 for the purpose, but that has now swollen to Rupees 3,480, owing partly to the addition of the earth and cart sheds, and I request that the revised sum may be entered in the Budget, or that I may be allowed to apply for the difference, Rupees 980, out of the Reserve on the 1st May next.

No. 426. ORDER THEREON, 19th February 1866, No. 587.

MILITARY WORKS, No. 32.

1. The Government sanction the estimates, amounting in the aggregate to Rupees 3,480, which are submitted with this letter for the erection of a cart shed and dry earth stores and for adding fifteen seats to the new Regimental privies in Fort Saint George.

2. The Superintending Engineer of the 4th Division will report, after the 1st May next, from what source the difference (Rupees 980) between the Budget allotment (Rupees 2,500) and the estimated cost (Rupees 3,480) of the works can be provided.
