Proceedings of the Madras Government, Public Works Department, 21st February 1866.

No. 462. Read the following letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, datded, Camp, Dowlaishweram, 10th February 1866, No. 2,530:—

1. The allotment* for tools and plant for the Godavery District for the current year has been exceeded already by Rupees 3,377, to meet which regular transfers have been sanctioned by Government,† a further outlay, under this head of about 1,500 or 2,000 Rupees, will be necessary, but I am not at present prepared to specify the grant or grants from which funds to meet the demand can be transferred.

2. I therefore request authority for expenditure under this head in excess of the appropriation, the excess to be adjusted by transfers before the close of the official year.

* Rupees 2,700.

No. 463. ORDER THEREON, 21st February 1866, No. 605.

ACCOUNT, No. 59.

The arrangement which is recommended in the foregoing letter is authorized, but, as the sanction of the Government of India to the requisite transfer of funds must be obtained prior to the close of the current official year, the Superintending Engineer of the 1st Division will report by the end of March the source from which he proposes to defray the extra expenditure under the head of "Tools and Stores."
