*Proceedings of the Madras Government, Public Works Department,
22nd February 1866.*

No. 475. Read the following letter from the Government Pleader, Madras, to the Secretary to Government, Public Works Department, dated Madras, 15th February 1866, No. 21 :—

In continuation of the letter I had the honor of addressing to you, under the date and number noted in the margin, 25th January 1866, No. 14. I do myself the honor of reporting, for the information of His Excellency the Governor in Council, that Special Appeal Suit No. 469 of 1864 came on again for hearing this morning on the late Civil Judge's return dated 7th January 1866, when the Judges determined that the return was insufficient, and, on my suggesting that the matter must be returned to the present Civil Judge to take the evidence, and that then his attention should be drawn to the three issues left undecided by the late Civil Judge, when their Lordships stated that they would first have the question of jurisdiction tried, and then, if it was found that the Salem Court had jurisdiction, they would carefully settle fresh issues on the other points, as they thought the present issues scarcely went far enough to open the whole question.

No. 476. ORDER THEREON, 22nd February 1866, No. 611.

CIVIL WORKS, No. 60.

Communicated to the Superintending Engineer of the 6th Division, and to the Executive Engineer at Trichinopoly.

attention should be drawn to the ~~2~~^{three} issues left
undecided by the late Civil Judge, when their
Lordships stated that they would first have the
question of Jurisdiction tried, and then, if it
was found that the Salem Court had juris-
diction, they would carefully settle fresh issues
on the other points, as they thought the present issues
scarcely went far enough to open the whole question.
