*Proceedings of the Madras Government, Marine Department,  
15th February 1866.*

No. 32. Read the following letter from the Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 10th February 1866, No. 634.

I have the honor to inform you that, in December 1864, the Collector of Tanjore brought to my notice that for two years there had been no flagstaff at Tranquebar, and that the want of one was a very great inconvenience to the mercantile community, who very naturally complained at having to pay port dues, and yet were not furnished with the means of communicating by signals with the shipping in the roads.

2. The late Colonel Ouchterlony, when Deputy Chief Engineer, Southern Circle, had represented to Government, in November 1862, the necessity of taking down the flagstaff, which had only been erected in January of that year, in consequence of the lower part of it proving rotten. A report of the circumstance is recorded in Proceedings of Government, Public Works Department, of the 8th December 1862, No. 2742, communicated to this office under Order, in the Marine Department, of the 15th idem, No. 298. The staff would then have been renewed, but this Officer's lamented and sudden death interrupted the proceedings, and it appears to have been forgotten till towards the end of 1864.

3. On receiving the application from the Collector, adverted to in the opening of this letter, an estimate of the cost of renewing the flagstaff was called for, and one for Rupees 310 was admitted in October last, for which I solicit the sanction of Government, in order that the Accountant General may be able to authorize the transfer of that amount to the Public Works Department from the Tranquebar Port Fund, which will bear the charge.

No. 33.

ORDER THEREON, 15th February 1866, No. 50.

Sanctioned.  
(True Extract).

*G. J. Constant*  
Chief Secretary.
