*Proceedings of the Madras Government, Public Works Department,
22nd February 1866.*

No. 481. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 16th February 1866, No. 3,177 :—

With reference to G. O. of the 13th instant, No. 524, I have the honor to point out that as long as Mr. Maitland is employed on the Lower Anicut works it is quite competent to the Superintending Engineer, 6th Division, to pass double horse allowance to him, so that there was no occasion to make any special application on his behalf. It has been ruled both by this Government and the Government of India, that full travelling allowance cannot be passed to any Subordinates who do not keep up tents, and I am not aware of any orders authorizing half batta to these members of the Department under any circumstances; I beg, therefore, to bring these to notice with a view to have the matter further considered, as the G. O. above referred to will be constantly quoted as a precedent in every similar instance.

No. 482. ORDER THEREON, 22nd February 1866, No. 614.

ESTABLISHMENT, No. 38.

Halting allowance having been authorized to be passed to Mr. Maitland while in charge of the re-construction of the Lower Coleroon Anicut as a special case, the Government cannot admit that the Order which is referred to by the Controller is liable to be quoted as a precedent.
