No. 549. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Kurnool, 9th February 1866, No. 207:—

1. In G. O. No. 3,453, of 2nd December 1864, approval was granted for entry in the Budget of 1865-66 of the estimate of Rupees 8,340 for levelling the ramparts of the Fort at Kurnool, within the Military limits; this was done in this office, but struck out in yours.

2. As the Military and Medical authorities at this station are very anxious that these ramparts should be levelled, and as I shall not be able to spend the full allotment of this year for "New Works, Military" in Bellary, I have the honor to request permission to my carrying out the levelling of the ramparts at Kurnool by transfer of a portion of the allotment of Bellary. During 1863-64 there was an expenditure on this work of Rupees 523-3-4, which was authorized to be paid, and the balance Rupees 8,316-12-8 is the amount now asked for.

G. O. No. 3,612, dated 16th December 1864.

3. I cannot say for certain the exact amount of allotment under head "New Works, Military" that I can give up, but it will be over Rupees 10,000; I shall however be able to give full particulars early next month.
