*Proceedings of the Madras Government, Public Works Department,
26th February 1866.*

No. 551. Read the following letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Dowlaishweram, 5th February 1866, No. 2,512:—

1. Adverting to my report dated 3rd March 1865, and to my letter No. 2,171 of 20th December 1865, applying for additional funds for expenditure in the Ganjam District, I have the honor
- 3 Estimates.
1 Letter.

to submit three estimates for metalling and gravelling the following roads:—

- (1.) From Aska to Berhampore.*
(2.) From Palconda viâ Chintada to Calingapatam.
- * With letter from the late Executive Engineer Gangam.

- (3.) From Nowpada viâ Bomally to the Palconda road at Jugganadapur.

2. The traffic on these roads is very heavy. By the second nearly all the produce exported from Calingapatam reaches that port, and by the last the salt from the Nowpada pans is conveyed to Palconda and Parvattipur, and thence into the Jeypore country and Central Provinces; the metalling and gravelling of the section of road between Palconda and Parvattipur has been already provided for by the

estimate submitted with my No. 1,947,*
and sanctioned by Government† on the 3rd January 1866.

* Dated 27th November 1865.
† No. 3.

3. I trust that under the circumstances noticed in Proceedings of Government, under date 6th ultimo, it will be found possible to allot me funds in the current year for carrying on the works at once, say Rupees 7,500, for the three roads.

No. 552. ORDER THEREON, 26th February 1866, No. 648.

ACCOUNT, No. 72.

1. The Government have in Proceedings of the 13th February 1866, No. 528, paragraph 12, informed the Superintending Engineer of the 1st Division, that they have no money at their disposal to allot, and it will therefore rest with that Officer to propose the requisite transfer of funds if the works referred to in this letter are of more urgent importance than any now in progress.

2. The estimates which are submitted by Captain Ryves are returned, in order that the countersignature of the Collector may be obtained in pursuance of the requirements of paragraph 59, Chapter V. of the Code.
