*Proceedings of the Madras Government, Public Works Department,
26th February 1866.*

No. 563. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 20th February 1866, No. 3,240:—

1. With reference to G. O. No. 564 of the 17th instant, I have the honor to point out that I find some difficulty in determining what is the consolidated salary of the Consulting Engineer for Railways as the term is used in the Public Works Department. The pay of the appointment is Rupees 2,000 per mensem, of this sum the Consulting Engineer draws his Military pay proper in the Military Department, which in the case of a Lieutenant-Colonel is Rupees 243-8-0, and the balance Rupees 1,756-8-0 in this Department, whereas by the orders in force in this Department a Military Officer not in the Staff Corps is entitled to pay proper in addition to the consolidated pay of his appointment. Under these circumstances, I am unable to state positively what sum constitutes the consolidated pay on which deputation allowance is to be passed. And on the first receipt of Major Stewart's Abstract, forwarded with the above G. O., I wrote to the Accountant General, Public Works Department for instructions in this matter, which on receipt I will forward to Government.

2. If the Government are disinclined to await the result of this reference, I will pass the deputation allowance as claimed by Major Stewart, provided the Government authorize me to do so; paragraph 2 of the G. O. under reply does not state what the consolidated pay of this appointment is.

No. 564. ORDER THEREON, 26th February 1866, No. 654.

RAILWAY, No. 39A.
