THE RESIDENT AT HYDERABAD.

SIR,

CIVIL WORKS, No. 79.

Adverting to my letter No. 729, dated 16th March 1865, wherein you were requested to favor the Madras Government with a plan and estimate for a residence which it was then in contemplation to erect for the Chaplain at Trimulgherry, I am directed to forward a copy of Proceedings in the Ecclesiastical Department, No. 32, dated 15th February 1866, and to state that, under the circumstances therein set forth, no further steps need be taken for the preparation of those documents.

I have the honor to be,
Sir,
Your most obedient servant,

Proceedings of the Madras Government, Ecclesiastical Department,
15th February 1866.

No. 13. Read the following letter from the Right Reverend the Bishop of Madras, to His Excellency the Honorable the Governor in Council, Fort Saint George; dated Madras, 9th February 1866.

With reference to Government Order, 3rd January 1866, No. 1, Ecclesiastical Department, I regret that I am obliged to request that your Excellency will withdraw any instructions which may have been issued respecting the building of a Chaplain's house at Trimulgherry, as Mr. Warlow states that a rent of Government Rupees 80 per mensem for a house without a well would practically be Government Rupees 90 per mensem, which, on his present income, he could not possibly pay without getting into difficulties—into debt, and has asked me to take such steps as may cancel the whole project as impracticable.

No. 14. ORDER THEREON, 15th February 1866, No. 32.

Communicated to the Department of Public Works, whence orders will be issued directing that no further steps be taken for the preparation of the plan and estimate called for in G. O., 8th March 1865, No. 69, for the erection of a residence for the Chaplain in Trimulgherry.
