Proceedings of the Madras Government, Marine Department,
23rd February 1866.

No. 44. Read the following letter from the Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George; dated Madras, 13th February 1866, No. 676.

I have the honor to inform you that, when a portion of the Madras Pier was decked under the sanction of Government marginally noted, a much lighter description of rail was obtained from the Public Works Department, and laid down in lieu of that originally supplied, which was far too heavy. It was hoped that this heavy rail might be taken in exchange; but as the Engineer's Department do not require it, and call for payment for that supplied from their stores, I have to solicit permission to transfer, from the Port Fund, Rupees 615-2-0, its value, to the General Superintendent of Public Work Stores and Workshops.

No. 202, 21st September 1865.
