Proceedings of the Madras Government, Public Works Department.
2nd March 1866.

No. 34. Read the following Endorsement of the Acting Consulting Engineer for Railways, dated Madras, 20th February 1866, No. 82:—

Read the following letter from the Agent and Manager of the Madras Railway Company, to the Acting Consulting Engineer for Railways, dated Madras, 17th February 1866, No. 109.

I have the honor to forward the undermentioned accounts "Capital" for the month of December last, and shall feel obliged by your obtaining the sanction of Government to the expenditure incurred, viz., Rupees 1,20,148:—

	RS.	A.	P
Construction, South-West Line	12,119	15	0
Do. North-West Line	87,308	13	0
Do. Bangalore Branch	16,368	8	0
Do. Salt Cotaun	4,350	12	0
Total ...	1,20,148	0	0

1. Credit has been given in the Construction Accounts of the South-West Line for Rupees 764, realized from the sale of old bungalows and materials; and in the accounts of the North-West Line for Rupees 710-1-11, realized from the sale of tools and materials.

2. In the account of expenditure of the first District of the Bangalore branch, a sum of Rupees 603-4-0 is charged under the head of "Earth-work." It is stated that it was paid to two Contractors, as per decree of the Tripatore Munsiff's Court. No authority, however, was obtained for the payment of the money. I conclude that the Contractors must have been employed when the line was under construction, and that the Engineer in charge had taken exception to the claims advanced by them, which led them to seek redress in the Munsiff's Court.

3. I have not considered it necessary, on the present occasion, to request the Agent and Manager to furnish me with any explanation in the matter, as he is very desirous that the sanction of Government should be obtained for the expenditure specified in his letter, at an early date, with a view to his furnishing the Railway Board of Directors with certain Returns to be embodied in the accounts to be laid before the share-holders of the Company at the next Half-yearly Meeting.

4. I recommend that the sum of Rupees (1,20,148) one lac twenty thousand one hundred and forty-eight be sanctioned
