Proceedings of the Madras Government, Ecclesiastical Department,
28th February 1866.

No. 35. Read the following letter from the Venerable the Archdeacon of Madras, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 10th February 1866, No. 49.

I have the honor to forward for the consideration of His Excellency the Governor in Council, letter from the Reverend J. D. Ostrehan, together with a bill for Rupees 140 for a stone Font for the use of the Church at Vizianagram.

From the Reverend J. D. OSTREHAN, Chaplain of Vizianagram, to the Venerable the Archdeacon of Madras, dated Vizianagram, 1st February 1866.

I have the honor to forward a bill for a stone Font for the Church at this place, and shall feel obliged by your submitting the same for the sanction of Government.

2. I purpose getting out a Font from England, similar to that supplied by Government to the Bimlipatam Church. I find I cannot get a stone Font made in this country for so much a sum as that named in the bill, Rupees 140.

No. 36. ORDER THEREON, 28th February 1866, No. 48.

The Governor in Council sanctions an expenditure not exceeding Rupees (140) one hundred and forty, for a stone Font which the Chaplain purposes procuring from England for the Church at Vizianagram.

2. In their Order of the 5th February 1857, No. 71, the Government directed that every Church which might be built, or purchased by them, should be supplied with every article of furniture essential to the due performance of Divine Service, and the various Ordinances of the Church, prior to its being made over to the Church Committee, or other authority duly appointed to receive charge. These instructions have been lost sight of by the District Engineer in the present case, and also in that of the Church at Bimlipatam, for which a Font was also recently sanctioned.
