*Proceedings of the Madras Government, Public Works Department,
12th March 1866.*

No. 245. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 28th February 1866, No. 2,349 :—

1. Referring to my letter No. 2,127, dated 22nd January last, I have the honor to report that Overseer Valoyuthum Pillay took working charge of the Pulney Taluq from Mr. McNab, on the 31st idem.

2. Overseer McNab had given over the works, with the exception of three unimportant ones, but on the following day he did not appear, and it was found that he had taken himself off out of the District altogether.

3. This Overseer, when he first sent in his resignation, was required to give six months' warning, to expire on the 31st January; early in January he wrote to me, asking that he might receive his pay for that month, and his security money by the 31st; and be at liberty to go away then, without further reference to anybody; my reply of course was, that he must give over his works and accounts correctly, and he would get his pay, &c., in due course of time.

4. There are claims against the Overseer in the Range, but as his security money has not been paid, and his pay for January is secured, I trust, when I have a final account from the Range Officer, that there will be no deficiency in consequence of the Overseer's sudden departure.

No. 246. ORDER THEREON, 12th March 1866, No. 814.

ESTABLISHMENT, No. 20.

The Superintending Engineer of the 8th Division will report, in due course, the result of the examination which is being made of the accounts of Taluq Overseer McNab of the Madura District.
