No. 302. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Department Public Works, dated Camp, Wandiwash, 2nd March 1866, No. 4,343 :—

Under the authority of Government conveyed in Proceedings No. 3,689, dated 14th December 1863, a Local Fund Accountant was entertained in my Office, and his salary was debited to Local Fund Works up to the end of April 1865. The services of the Accountant were dispensed with on the 1st September last, in consequence of the introduction of the new system of accounts. The Controller of Public Works Accounts, however, declines to pass his pay at Rupees 20 per mensem from the 1st May 1865 to the 31st August 1865, on the ground that the sanction of Government for the employment of the Accountant during the current official year must be renewed. I have, therefore, the honor to request that the Government may be moved to authorize the Controller to pass the charge in question, viz., Rupees 80, up to the end of August, viz., four months, against the allotment for Establishment.
