Read the following letter:—

From the Superintending Engineer, 4th Division, Camp Arnee, 23rd February 1866,

With reference to paragraph 25 of the Order of Government, No. 405, dated

to the Bath-rooms of the Bandsmen in the Lunettes of the Saint George's and
Wallajah Ravelins of Fort Saint George.

2. The estimate was entered in my Budget under a mistake; and it never
should have appeared there.

3. Should the Military Department concur, as I do, with the Barrack Master,
in the inexpediency of carrying out this work, inasmuch as the Band may be
removed from their present location, I request that the amount Rupees 7,800 may
be added to item, No. 27, *viz.*, constructing a range of Quarters for the Overseers
attached to the Gunpowder Factory, the allotment for which in 1866-67, now
stands at Rupees 10,000, and would thus be increased to Rupees, 17,800.

Referred to the Military Department.
