*Proceedings of the Madras Government, Ecclesiastical Department,
14th March 1866.*

No. 12. Read the following letter from the Secretary to the Madras Diocesan Committee of the Society for the propagation of the Gospel in Foreign Parts, to the Chief Secretary to Government, Fort Saint George; dated Madras, 9th March 1866, No. 235.

I am desired by the Madras Diocesan Committee of the Society for the propagation of the Gospel in Foreign Parts to bring under your notice, for the information of His Excellency the Governor in Council, that the Church belonging to the Society at Tanjore is greatly in need of repairs, and to solicit a grant in aid of the cost thereof.

2. I am instructed to submit that this Church, built originally by the Venerable Schwartz, and where his remains now lie, has always been given freely for the use of the English Congregation; and the Committee therefore, would hope that this may be considered by Government an adequate reason for granting the aid now solicited.

3. The cost of the repairs, as estimated by Mr. Walton, Supervisor in charge of Range No. 1, will be Rupees 370. It is, however, by no means impossible that the cost may exceed this sum, as, in the course of the repairs, it may be found necessary to do more to the roof than at present seems to be required.

4. I enclose Mr. Walton's Estimate, which I request you will be so good as to return.

No. 13. ORDER THEREON, 14th March 1866, No. 59.

Under the circumstances referred to in the foregoing letter, the Governor in Council sanctions a grant of a moiety of the cost of repairing the Mission Church at Tanjore, provided that the amount granted shall not exceed Rupees (250) two hundred and fifty.
