*Proceedings of the Madras Government, Marine Department,
14th March 1866.*

No. 12. Read the following letter from the Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George; dated Madras, 9th March 1866, No. 1072.

I have the honor to inform you that, in the Cyclone of 25th and 26th November last, the Jetty at Negapatam was seriously injured. On the 27th of that month, the Master Attendant of the Port wrote to say that it had been thrown down in many places, and that nearly the whole of the structure had been to some degree injured and shaken.

2. I have now to submit the accompanying estimate for its repair, and to solicit the sanction of Government for the transfer from the Negapatam Port Fund to the Superintending Engineer, 6th Division, of the amount thereof.

Rupess 2270.

3. The Collector of Tanjore informs me that, as the season is advancing, the work has been commenced in anticipation of sanction, as, if delayed, there would not have been sufficient time to complete it during fine weather.

No. 13. ORDER THEREON, 14th March 1866, No. 68.

The Governor in Council sanctions the expenditure of Rupess (2270) two thousand two hundred and seventy in repairing the Jetty at Negapatam. The charge will be met from the Port Fund.
