Proceedings of the Madras Government, Public Works Department.
22nd March 1866.

Read the following papers :—

No. 479. Endorsement of the Superintending Engineer, 3rd Division, dated Bellary, 8th March 1866, No. 227.

From the Acting Supervisor in charge of Nundial Range, to the Superintending Engineer, 3rd Division, dated Nundial, 16th February 1866, No. 546.

1. I beg to bring to your notice that the Controller of Public Works Accounts, in passing my pay abstract for January 1866, has allowed me pay, as an Acting Supervisor 2nd class, Rupees 105 per mensem, from the day I took charge of the Nundial Range before my promotion to the present grade; I

was drawing Rupees 100 per mensem as full Overseer since 1858. I believe it to be the general rule, that when a person is promoted to an acting appointment of higher grade, he is allowed to draw pay one-half of his late grade, and one-half of the acting appointment. But the Controller has only allowed me half pay as a Taluk Overseer, while I was drawing Rupees 100 per mensem as a full Overseer.

2. I beg that you will be so good as to forward my case for the kind consideration of Government.

Forwarded for the consideration and order of Government an original appeal from the Supervisor in charge of Nundial Range, dated 16th February 1866, No. 546.

Superintending Engineer, 3rd Division.

No. 480. From the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 14th March 1866, No. 3,598.

Enclosure 1.

I have the honor to return the document received with your Memorandum of the 13th instant, and regret to say I am unable to make a full report on the case, as the Superintending Engineer has failed to transmit all the papers relating thereto, such as the abstract, &c., on which the retrenchment was made. I understand Mr. Howell as an Overseer drew Rupees 60 a month, the pay of that grade in the Department, and Rupees 40 compensation, as personal allowance under G. O. of the 24th June 1863, No. 1,649; on promotion to his present acting appointment this latter sum appears to have been disallowed to him, and I suppose was so noted in his abstract; but Major Moberly does not say if he had satisfied himself on this point, when making the reference to Government. I would further point out there

is no such salary as Rupees 100 a month given to any subordinate in the Department of the rank of Overseer, but compensation is given in some cases to those members referred to in the G. O. above quoted.

As Mr. Howell would be a gainer of only 5 Rupees per month if his allowances during his temporary promotion were calculated on the principles followed by the Controller of Public Works Accounts, the Government resolve to authorize Captain Fischer to pass to Mr. Howell one-half* of his original salary as Overseer and a moiety of that attached to the appointment of Supervisor 2nd grade.
