*Proceedings of the Madras Government, Revenue Department,*  
16th March 1866.

No. 289. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Trivalore, 1st March 1866, No. 1,919 :—

1. I have the honor to enclose an estimate of Rupees 120 for sanction. It has been approved of by the Collector, at whose request it was prepared; it provides an interlacing of horizontal brass wires across the upright bars of iron in the windows of the Vernacular Record-room to keep out squirrels and vermin which are stated to destroy the records.

2. As the Estimate exceeds Rupees 100, it is forwarded for the sanction of Government for execution during the current official year from an unappropriated balance of Rupees 176-4-4, under the head "Minor New Works," "Civil Buildings."

Referred to the Revenue Department.  
(Signed) CHARLES A. ORR, Colonel, R. E.,  
Secretary to Government, P. W. D.

FORT SAINT GEORGE,  
6th March 1866.

No. 290.

Miscellaneous.

ORDER THEREON, 16th March 1866, No. 669.

The work is approved, but the Governor in Council is of opinion that as the action of brass upon iron is injurious, some other material should be adopted.  
(True Extract.)

*H. Cantwell*  
*Coling*  
Secretary to Government.
