Proceedings of the Madras Government, Revenue Department,
16th March 1866.

No. 283. Read the following letter from the Accountant General, to the Secretary to Government, Revenue Department, dated Fort Saint George, 14th March 1866, No. 312:—

With reference to the Proceedings of Government in the Revenue Department, No. 566, dated the 5th instant, I have the honor to report that the proceeds of the tolls and licenses collected on the Cochrane's and Sadras Canals during the first ten months of the current official year, amounted to Rupees 38,310-7-11. I am at present unable to state the precise amount of expenditure during the above period, on account of Establishment and Contingencies, it having been hitherto treated as a charge of the Public Works Department; but assuming it at Rupees 350 per month, the average rate for 1864-65, the balance on the 1st March 1866, to be transferred from the Imperial Revenues to the credit of "District Road Fund," may be estimated at Rupees 34,800.
