*Proceedings of the Madras Government, Revenue Department,
19th March 1866.*

No. 293. Read the following Proceedings of the Board of Revenue, dated 20th January 1866.

Read Proceedings of the Madras Government, Revenue Department, dated 10th February 1866, No. 364:—

1. The Board submit, for the consideration of Government, that it is quite unnecessary to trouble Government in this matter in the manner proposed.

2. The question relates solely to the transfer of funds for execution of petty works within the competency of the Board to sanction, in cases where surplus funds beyond the Budget allotment are found to be available, and the Board have hitherto sanctioned the work and expenditure, and requested the Accountant General to make the transfer of funds, thus obviating the delay that would be involved in holding the funds idle till another Budget should be under preparation. They submit that this arrangement may be continued with advantage to all departments concerned.

No. 294. ORDER THEREON, 19th March 1866, No. 671.

Local Funds, No. 14.

Account.

The Governor in Council observes, that under the Rules for the District Road and other Local Funds, sanctioned on the 4th March 1864, Revenue Department, No. 392, the Board of Revenue are empowered to sanction expenditure within certain limits. When the Board exercise these powers, their orders, which will of course be communicated to the Accountant General, are sufficient authority for the transfer of the requisite funds.
