MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From the Superintending Engineer, 5th Division, Cuddalore, 3rd March 1866,
No. 92 ; to the Secretary to Government, Department Public Works.

I have the honor to report, with reference to the Order of Government of the 19th of December, No. 3807, that the roof of the Infantry Barracks at Bangalore has been carefully examined by the Executive Engineer. He found all the couples, except three, to be perfectly sound. The trifling repairs required he had carried out at once, and he considers that the roof is quite safe.

2. When repairs were made to these Barracks in 1864, the roof was taken off, all sound couples were used again, but all defective wood was re-placed by good teak, and the bamboos which supported the tiles were re-placed by teak reepers.

3. The portion of the western range of these Barracks in the lower square, the roof of which lately fell in, is not worth repair, and should be pulled down.

Referred to the Military Department, with reference to the orders in that Department, No. 4543, dated 12th December 1865.
