*Proceedings of the Madras Government, Public Works Department,
26th March 1866.*

Read the following letters:—

No. 584. From the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 19th March 1866, No. 3,666.

I have the honor to submit, for disposal by the Government, the accompanying
Inspection Reports and Travelling Allowance Bills of Mr. Bateman, Sub-Engineer in charge of the 4th Range, Tanjore

District, for the months of January and February last, and Mr. Walton's for the month of January; from the number of days halted at head quarters I do not feel myself at liberty, under existing rules and orders, to pass the allowances as sanctioned by the Superintending Engineer, and if any alterations are made here, it will only lead to a reference to them, probably after some disagreeable correspondence, causing delay in settling the claims of subordinates, whilst by the course I have now ventured to adopt, if the Government are pleased to authorize me, I will pass the bills as submitted on their being returned to me with the G. O. sanctioning the same. By G. O. of the 3rd February last, No. 426, full travelling allowance was passed to these subordinates for very similar halts at head quarters, but that order was not made generally applicable; if its provisions can, however, be so considered, all cases can be at once disposed of by this Office without further reference to Government.

No. 585. From the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 20th March 1866, No. 3,667.

In continuation of my letter of yesterday's date, No. 3,666, I have the honor to forward for the information and orders of Government three Travelling Allowance Bills and Inspection Reports of the Upper Subordinates named in the margin, employed in the 2nd, 5th, and 6th Divisions.
