Office of the Controller of
Public Works Accounts
Madras 14th March 1915.

From

Captain J. J. Fischer R.E.
Controller of P.W. Accounts

To

Colonel C. A. Orr R.E.
Secretary to Government
Public Works Department.

Sir,

I have the honor to submit the follow-
ing for the consideration and orders of Govern-
ment.

2. As the sum of Rupees 69,205 available
from the Surplus Pagoda Funds of the Tinnevely
District was not transferred to the credit of
this Department, the Accountant General
Madras was addressed by me with a request
he would authorize the transfer; pointing out
at the same time (the orders on the subject
not appearing to be communicated to him)
the fund from which the sum was to be
transferred but that Officer in reply remarks
that the order of Government N^o 2757 dated
19th September 1915 quoted by me sanctioning
the 3rd Estimates does not state from what
source the funds for the execution of the
works are to be provided but it appears to

to me para 3 indicates where funds could
be obtained.

3. The Superintending Engineer's view in his letter No. 2207 dated 5th Instant to my address notices that of the sum of Rs. 69,205— only Rs. 10,000 are required for expenditure in this year and that the amount and not the former should be the allocation for the works in the current year. He quotes para 1 of the observations of the Governor General in Council, communicated in G. O. No. 4449 dated 5th February 1866 in support of this opinion.

4. Under these circumstances I request you will be good enough to communicate the orders of Government on the subject of the funds to the Accountant General and also inform me whether the sum to be transferred to the credit of this Department is the whole amount of the funds or only such portion as is proposed to be expended in this year.

I have the honor to be,
Sir,

Your most Obedient Servant,

Robert Wilson Captain R.E.
