*Proceedings of the Madras Government, Public Works Department.*

15th May 1866.

Read the following :—

No. 110.

No. 382. List of Bills received from the Superintending Engineer, 5th Division, for work executed in the Salem District, which exceeds its estimate by more than 5 per cent., submitted for the orders of Government.

| Audit No. | Date of Bill.    | Description of Work.                            | Amount of Estimate. | Amount of Bill. | Excess.   | Per-centage. | To what year expenditure appertaining. | Date of receipt of the Bill. |
|-----------|------------------|-------------------------------------------------|---------------------|-----------------|-----------|--------------|----------------------------------------|------------------------------|
|           |                  |                                                 | RS.                 | RS. A. P.       | RS. A. P. |              |                                        |                              |
| 863       | 20th March 1866. | Repairing the Dharampuri and Kistna-gheiry road | 400                 | 585 13 2        | 185 13 2  | 46½          | 1864-65                                | 7th April 1866.              |

REMARKS —The cause of excess is explained in the accompanying original letter of Lieutenant Edgcome, in which he admits that he was in fault in having paid the amount of the Bill without first consulting his accounts; the sum appears to have been paid on measurement of work actually performed on the road, and though in excess of the sanctioned allotment there is no reason to suppose it had been misapplied; as the Superintending Engineer passed on the Range Officer's explanation without remark

(Signed) J. F. FISCHER, Captain, R. E.,  
Controller of Public Works Accounts

MADRAS,  
7th May 1866.
