MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 2nd May 1866, No. ⁸⁶1491 to the Secretary to Government, Military Department, Fort St. George.

Forwarded to Government for sanction.

From the Officer Commanding Nagpore Force, Kamptee, 18th April 1866, No. 69 ; to the Quarter Master General, Ootacamund.

I have the honor to submit a report of the Executive Engineer Kamptee, on a small block of old bomb-proof buildings believed to have been the quarters formerly assigned to a Staff Serjeant of a Native Infantry Regiment, at a period when three Native Infantry Regiments were quartered at the station. The block is lettered G in the plan of the Cantonment.

2 The buildings being in a dilapidated state, in a very bad situation, never required, and of late years only occupied by European pensioners on sufferance, who could get no better shelter elsewhere, and being quite unworthy of any expenditure to put them in habitable order, I have the honor to request the permission of His Excellency the Commander-in-Chief, to have them removed by the Department of Public Works.

From the Officiating Executive Engineer, Public Works Department, Kamptee, 16th April 1866, No. 2357 ; to the Assistant Adjutant General, Nagpore Force, Kamptee.

Having examined, as requested in Assistant Quarter Master General's No. 23 of 14th instant, the block of old Serjeant's quarters situated in the rear of Captain Playfair's compound, now occupied by pensioned Serjeant Hyatt, I have the honor to report that these buildings are in a very dilapidated, if not dangerous, state, and though extensive repairs might improve them for a time, I would recommend, unless they were urgently required, that the block of building should be pulled down at once.

ORDER, No. 1637, 9th May 1866.
