Proceedings of the Madras Government, Ecclesiastical Department,
12th May 1866.

No 13. Read the following letter from the Senior Chaplain of the Church of Scotland, to the Chief Secretary to Government, Fort Saint George; dated Bangalore, 1st May 1866:—

No 57

I have the honor to acknowledge receipt of Order of Government of date 26th April 1866, No 88, in which the Right Honorable the Governor in Council intimates his inability to sanction any further grant for the Scotch Church now in course of erection at Bangalore, as there are no savings under F. H., to meet such an expenditure.

2 I trust that the Right Honorable the Governor in Council will not lose sight of the very important approach with the respectful request that the allotted grant, or a portion of it, be transferred from the finances of the present official year, which commences in July. I need hardly say what a matter of deep regret it would be to arrest the building, for, as it now stands roofed in, and unplastered, it would be so materially injured by the approaching rains that a few months hence, it will require a much larger sum than is now required to complete the edifice.

No 14. Order thereon, 12th May 1866, No 102

Under the circumstances represented in the foregoing letter, the Governor in Council is pleased to sanction a further grant of Rupees (5000) five thousand, on account of the erection of the Scotch Church at Bangalore, to be met from savings under F. H.

2 It is to be distinctly understood that no further contribution will be made by Government to the cost of erecting or furnishing the Church in question.
