*Proceedings of the Madras Government, Public Works Department,
22nd May 1866.*

No. 536. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 9th May 1866, No. 150:—

I have the honor to submit, for the orders of Government, the enclosed original letter from the Superintending Engineer, 6th Division. I am unable, without further instructions, to dispose of Mr. Brosnahan's case, who appears to be yet a Supernumerary Assistant Engineer, on no particular grade.

From the Superintending Engineer, 6th Division, to the Controller of Public Works Accounts, dated Tanjore, 3rd May 1866, No. 21.

To Controller, No. 2,203 of 18th April
From do. „ 4,136 „ 24th do.
To do. „ 2,284 „ 28th do.

In continuation of the subject of the correspondence noted marginally, I have the honor to inform you that I requested Range Officers to forward copies of their abstracts for April

with a view of preparing Form 'D., as required by you under date the 7th March, and I observe from Mr. Brosnahan's abstract that he is still drawing Rupees 250 per mensem; he is, I am aware, a Supernumerary Assistant Engineer, and his name did not appear among those appointed to the various grades according to the distribution sanctioned in G. O. No. 2,845, dated 26th September 1865, but as there are no Assistant Engineers drawing Rupees 250 per mensem, I presume Mr. Brosnahan, though a Supernumerary, is entitled to Rupees 300 per mensem, and if so I beg that form D. and his abstract for April may be altered accordingly, and a supplemental abstract for Rupees 50 per mensem from 1st October 1865 to 31st March 1866, will be submitted on the receipt of your reply.

No. 537. ORDER THEREON, 22nd May 1866, No. 1,631..

ESTABLISHMENT, No. 51

1. Prior to the re-organization of the Public Works Department in June 1863 Mr. J. Brosnahan held the rank of Second Assistant District Engineer. The Civil salary of the appointment, which was then the lowest on the Engineer Establishment, was Rupees 250 per mensem. Under the present constitution of the Department, the lowest rank on the Engineer Establishment is that of Assistant Engineer second grade, the Civil salary attached to which is Rupees 300 per mensem.

2. The Government consider that, although Mr. Brosnahan is a Supernumerary Assistant Engineer, he is nevertheless entitled to the sanctioned rate of salary for the grade corresponding to that which he formerly held, and looking to the fact that he has been employed for several years in the Department of Public Works, the Right Honorable the Governor in Council is pleased to authorize the Controller of Public Works Accounts to pass to Mr. Brosnahan from the 1st October 1865 the difference (Rupees 50 per mensem) between the salary of a second Assistant District Engineer on the former scale and that of an Assistant Engineer of the second grade on the scale sanctioned in G. O. No. 2,845, dated 26th September 1865.
