Proceedings of the Madras Government, Public Works Department,
22nd May 1866.

No. 546. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 11th May 1866, No. 155:—

1. With reference to Chapter IV., paragraph 13 of the Public Works Code, I have the honor to submit herewith, for the sanction of Government, a bill for constructing fourteen married men's quarters for Artillery, New Barracks, Race Course, at Bangalore, amounting to Rupees 2,100.

2. At the foot of the bill in question it is stated that the above work was entirely rejected by the Executive Engineer, Bangalore, and the Superintending Engineer, 5th Division, and the latter Officer was called upon for an explanation in connection with this remark. From his reply, herewith forwarded, it will be seen that the execution of this work was commenced by the late Contractor T. Ayasawmy, and the work being bad, was rejected, and that his Executors, who have taken up his contracts, have agreed to re-build the quarters, but that the amount of the present bill had been paid to the first Contractor, but by whom, this Office is not aware of, as G. O. of the 4th July 1865, No. 1,858, has not been communicated here.

No. 547. ORDER THEREON, 22nd May 1866, No. 1,636.

ACCOUNT, No. 53.

The sum of Rupees 2,100 referred to in this letter having been actually disbursed, the Controller of Public Works Accounts is authorized to pass the bill which has been submitted by the Superintending Engineer of the 5th Division; but the Government will look to the Executive Engineer at Bangalore to see that the buildings are re-built in a substantial manner by the late Contractor's Executors in accordance with the Agreement.
