Proceedings of the Madras Government, Judicial Department,

1st November 1866.

No. 7. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 15th October 1866, No. 85.

I have the honor to acknowledge the receipt of the Order of Government

J. D., 9th October 1866, No. 1581.

noted in the margin, enclosing copies of Orders issued in the Department of Public Works to the Superintending Engi-

neers of the 4th, 6th, 7th and 8th Divisions, on the subject of hutting gangs of working Convicts on the sites of the Jails which are to be built at Vellore, Trichinopoly, Calicut, Cannanore, and Madura.

2. In the fourth paragraph of my letter to Government, dated 3rd September last, No. 70, regarding the Cannanore Central Jail, I recommended that the outer wall should not be commenced upon until after the completion of one compartment and of the Hospital, and a similar course appears to be contemplated in the Orders above specified; but, as it is now intended to locate the Convicts in huts, instead of in a permanent building, as was proposed for Cannanore, I submit, for consideration, whether it would not be advisable to revert to the original intention of Government, and to commence by building the outer wall.

No. 8. ORDER THEREON, 1st November 1866, No. 1728.

The Governor in Council concurs in the opinion of the Inspector General of Jails, that the erection of the outer wall of the Jail should be the first work done by Convicts employed in the erection of Jails. The instructions given in the Proceedings of Government of the 5th ultimo are modified accordingly.
