*Proceedings of the Madras Government, Revenue Department,
7th November 1866.*

No. 183. Read the following Proceedings of the Board of Revenue, dated 24th October 1866, No. 7,668:—

Read the following letter from the Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Kankepad, 22nd September 1866, No. 322.

1. I have the honor to forward a letter from the Superintending Engineer, Second Division, with plans and estimates for a road from Datchapully to Goorjala in the Pulnad, to be constructed from Local Funds, and to recommend the project for the favorable consideration of the Board and Government.

2. The Pulnad is the chief cotton growing talook of this district, and owing to the nature of the soil, traffic is now difficult.

3. Datchapully is on Trunk Road No. 7, and the road now proposed will connect Goorjala, one of the principal towns, and the centre of the cotton country, with this road, and place it in connection with the general communications of the district.

4. Eventually the road should be carried on to Tummarycotta and Macherla farther to the westward.

From the Superintending Engineer, Second Division, to the Collector of the Kistna District, dated Camp at Guntoor, 12th September 1866, No. 91.

1 Abstrat do.
1 Specification Report.
1 Traffic Return.
1 Survey.
1 Plan.

1. I have the honor to forward plan and estimates, as per margin, for improvements to the road between Datchapully and Goorjala, amounting to Rupees 10,530, for execution from the Local Funds during 1867-68.

2. The road is a portion of an important highway, by which the cotton and other produce of the Pulnad is brought to the coast. The soil is chiefly black cotton of the worst possible description for traffic, and you will observe that in the month of September 1865, although then the height of the rainy season, not less than 8,700 cart loads of goods passed across it.

3. As the District Road Cess will place a considerable sum of money at our disposal, I beg to recommend that the line should meet with attention, and I trust you will forward it for the sanction of the Revenue Board and Government.

P. S.—I recommend that this work also be included in the Local Fund Budget of the ensuing official year.
