No. 290. Read the following letter from the Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 2nd November 1866, No. 426:—

1. Referring to G. O. dated 13th August last, No. 2,550, and No. 24, dated the 9th ultimo, and to my reply dated the 10th idem, No. 404, I have the honor to forward, for transmission to the Government of India, Returns of Casualties amongst the employés of the Madras and Great Southern of India Railways during the half-year ending the 30th June 1866, prepared in accordance with the form of General Return received with Circular from the Secretary to the Government of India, dated 28th June last, No. 11.

2. The Agent of the Great Southern of India Railway has not given the average number of Europeans and East Indian servants employed in the half-year. He has been called upon to furnish the information, but as there has been considerable delay already in the submission of the Returns, I have not considered it advisable to detain them any longer. The information will, on receipt, be communicated to Government.
