Proceedings of the Madras Government, Public Works Department
15th November 1866.

No. 322. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Rampoor, 2nd November 1866, No. 2,391:—

1. With reference to G. O. No. 2,213, of 14th July 1866, I have the honor to inform you that on Supervisor Gray's joining this Division, I called on him for the explanation ordered by Government, the delay in answering this reference has been caused by Supervisor Gray asking to be furnished with copies of correspondence that had passed between him and Ramachendra Modelly, which had to be obtained from the Pennakonda Range.

2. Mr. Gray now replies as follows:—"I beg leave to state that the subject "had entirely escaped my memory, and as a reason for such, I beg to mention "that about the time the Bond should have been executed, Táluq Overseer Ramachendra Modelly had charge of two Táluqs during the absence, on sick leave, "of Táluq Overseer Varadarajooloo Modelly; that in each of the two Táluqs, Hindoopoor and Madakaserah, a range of Police Huts was in progress of construction "in charge of the Overseer; that there was another range of Police Huts in "progress in the Pennakonda Táluq, and that the time fixed for the completion of "the three ranges, owing to the difficulty experienced in procuring materials for "roofing, had expired, and that my anxiety on account of the tardy progress of "these works, together with superintending the several road and irrigation works "then in progress in the Range, must, I regret to say, have caused me to forget "the Bond."

3. The result of the investigation by the Joint Magistrate has been already communicated with my letter No. 1,022,

G. O. No. 2,401 of 31st July 1866. of 19th July 1866, on which Government have passed their orders approving of Ramachendra Modelly's dismissal, and directing to return the deposit money, &c., as no Security Bond had been taken.

No. 323. ORDER THEREON, 15th November 1866, No. 3,642.

ESTABLISHMENT, No. 32.

The Government are not satisfied with the explanation which is submitted in this letter. Major Moberly will take measures to prevent the recurrence of a similar omission.
