*Proceedings of the Madras Government, Public Works Department,
16th November 1866.*

No. 333. Read the following Proceedings of the Government of India, in the Public Works Department, (Account,) dated Simla, 25th October 1866, No. 1,029 A:—

Copy of the following forwarded to the Secretary to the Government of Madras, Public Works Department, for information.

By order,

(Signed) C. H. DICKENS, Lieut.-Colonel, R. A.,
Secretary to the Government of India.

Extract from a Despatch No. 54, dated 14th September 1866, from the Secretary of State for India to His Excellency the Right Honorable the Governor General of India in Council, acknowledging receipt of the Budget Estimates of the Public Works Department for 1866-67, together with copies of Orders thereon.

These annual documents are always of interest, but in those for the current year there is nothing on which it seems necessary for me to remark, all the points which have attracted my particular attention having been already duly noticed by you. Among these are the commencement in the Madras Presidency of the Lawrence Asylum, and of certain barracks without previously sanctioned estimates, * * * * * and the excessive cost of the agency employed in making over land to the Madras Irrigation and Canal Company. It is out of all reason that an establishment should be maintained at a charge of Rupees 11,290, for making over only Rupees 20,000 worth of land.

No. 334. ORDER THEREON, 16th November 1866, No. 3,648.

ACCOUNT, No. 28.

Ordered to be recorded.
