No. 346.

Read the following:—

No. 430.

Application from the Agent and Traffic Manager of the Great Southern of India Railway, requesting the sanction of Government to the following Estimates.

1. In Order dated the 30th October 1865, No. 3,259, the sanction of Government was accorded to the detailed plans of the several buildings proposed to be constructed at the new Railway Station near the Fort at Trichinopoly, on the Errode Extension of the Great Southern of India Railway.

2. The Agent now submits the estimates of the probable cost of the buildings, &c., at the Station, viz. :—

	RS.
Station house	86,535
Goods warehouse	41,500
Engine shed	30,700
Coal shed	13,420
Salt godown	8,740
Tank house, water crane and well	8,185
Three 16 feet turn tables	5,955
One 42 feet turn table	5,500
Weigh bridge	3,170
Sidings, switches, crossings, Semaphore signals, and gate	69,400
Fence wall	26,730
Total ...	2,99,835

Two lacs ninety-nine thousand eight hundred and thirty-five.

3. These estimates provide for the cost of all materials and labor necessary for the completion of the several buildings, &c. The rate allowed for masonry is Rupees 12 per cubic yard, or 2 Rupees less than the rate adopted for the masonry works on the line.* The other rates call for no remark.

* District 4, Eastern Section.
District 1, Errode Extension.

4. No provision has been made in the estimates for privies and urinaries for Native passengers. The Agent's attention has been drawn to the omission, and he has been requested to submit the requisite plans and estimates as early as practicable. Pending their receipt, I recommend that the sanction of Government be granted for the estimated outlay of Rupees 2,99,835.
