No. 354. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 7th November 1866, No. 2,589 :—

I have the honor to acknowledge receipt of G. O. of the 20th June last, No. 1,930, if I may take on the establishment as now sanctioned, from the commencement of this official year : the increased cost to Government will be very trifling, and, as the members of the Office have been performing their duties during this period very satisfactorily, I trust the Government will be pleased to accord a favorable consideration to this application.
