*Proceedings of the Madras Government, Public Works Department,
17th November 1866.*

No. 370. Read the following Circular from the Government of India, Public Works Department, (Account,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, the 25th October 1866, No. 95:—

Mode of supplying Forms of Account.

1. It has been brought to the notice of the Governor-General-in-Council that there is a discrepancy between the Code Rule (Articles 13 to 15, Section ii, Chapter XV.), and Article XVI. of the Stationery Rules published in the *Calcutta Gazette* of the 21st March 1866, regarding the mode of obtaining supplies of blank forms for use in this Department. The Code Rule requires that these forms shall be obtained from the Superintendent of Stationery, Calcutta; while the Stationery Rules allow the Heads of Offices, in certain Provinces, the option of drawing their supplies of these forms from local presses, if they can be had cheaper than from Calcutta.

2. This latter arrangement need not be disturbed as regards miscellaneous forms; but considering the importance of securing uniformity in the forms of account, that some of these forms require careful printing, and that the price at which the work can be done at the Government Press in Calcutta depends on the extent of the demand upon it, His Excellency-in-Council determines that all forms of account (Parts I. and II. of Code Forms) required by the Department, shall be obtained on Indent from the Stationery Office, Calcutta, as provided by the Code.

ORDER.—Ordered that the foregoing Resolution be forwarded to the Local Governments of Bengal, North-Western Provinces, and Punjab. Governments and Administrations noted in the margin, for information and guidance; and to the Governments of Madras and Bombay, the Financial Department, and the Accountant General, Public Works Department, for information.
