No. 220. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 14th December 1865, No. 1,049A :—

1. I am directed to acknowledge receipt of your letter No. 3,126, dated 20th October 1865, applying for an additional Budget grant of Rupees 12,247 for 1865-66 for the purchase of land for Railways.

2. In reply, I am to intimate that there is the sum of Rupees 9,000 held in reserve in this Department from the grant for State outlay on Railways assigned to the North Western Provinces. This amount the Governor General in Council is pleased to place at the disposal of the Government of Madras, as an extra allotment for the purpose referred to.

3. This leaves a balance of Rupees 3,247 still to be arranged for on this account. But I am to request that in order to avoid a reference to the Financial Department on the subject, this small demand may be met from the allotment already sanctioned for 1865-66 on account of State outlay on Railways in Madras, or by a re-appropriation for other parts of the Public Works Department Budget.

No. 221. ORDER THEREON, 10th January 1866, No. 106.

RAILWAY, No. 22.

1. Communicated to the Consulting Engineer for Railways for information and guidance, with reference to the Order of the 20th October 1865, No. 3,125.

2. As there are no funds available from the Budget grant for Public Works proper, the Consulting Engineer will arrange for providing the balance of Rupees 3,247, which is referred to in paragraph 3, from the general allotment "on account of State outlay on Railways" in this Presidency.
