No. 235. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Cuddapah, 21st December 1865, No. 185 :—

1. I have the honor to request the sanction of Government to my authorizing the Supervisor in charge of the Pennakonda Range to re-construct some stone-work at the Hindoopoor Soorapah Coontah, in the Hindoopoor Táluq of the Bellary District, which was badly executed by S. Ramachendra Moodelliar, and charging the same to any monies due to him which may be in our hands or to the amount lodged as security : the amount of estimate for re-building this stone work is Rupees 160, and I have directed Supervisor Thorpe to carry on the re-construction in the most important parts.

2. S. Ramachendra Moodelliar was the Overseer of the Hindoopoor Táluq : charges have been laid against him before the Joint Magistrate of Bellary, but, as already reported, the investigation has not yet been commenced. The defalcations in his accounts, as far as can at present be seen, are in excess of his security, and I therefore request permission to take any pay due to him that may be in deposit or undrawn for carrying out this work.
