Proceedings of the Madras Government, Public Works Department,
10th January 1866.

No. 245. Read the following Circular from the Secretary to the Government of India, Public Works Department (Military Works), to the Secretary to Government of Madras, in the Public Works Department, dated Simla, 27th October 1865, No. 111 :—

I am directed to forward, for information, the accompanying lithographed design, being a specimen of a barrack with flat roof, that has met the approval of the Government of India. It is not intended for guidance in respect to all details, but simply to show what the Government of India considers an appropriate plan of a barrack, according to the principles of construction that have recently been promulgated.
