11th January 1866.

No. 255. Read the following Circular from the Secretary to the Government of India, Public Works Department (Military Works), to the Secretary to Government of Madras, in the Public Works Department, dated Fort William, 16th December 1865, No. 120:—

The Government of India, in the Military Department, with the concurrence of His Excellency the Commander-in-Chief, having decided that Sergeant-Instructors of Gunnery, who now form a portion of the Head Quarters Establishment of a Horse Brigade of Artillery, and rank with Sergeants Class B, and trained School Mistresses attached to Royal Artillery Army Schools in each Artillery Division, who rank under War Office Circular No. 698, dated 27th July 1861, as Class A, Non-Commissioned Staff, should be provided with the accommodation proper for their respective ranks, it is requested that the necessary additions may be made to the lists given in paragraphs 6 and 9 of Public Works Department Circular No. 22, dated 17th March 1865. The standard plan of barracks for the Staff Sergeants of Head Quarters of a Horse Brigade of Artillery will therefore have three instead of only two Quarters Class B, and will be the same as that sanctioned for the Staff Sergeants of a Regiment of Infantry.

2. The School Mistress will have quarters either attached to the School, or in a detached building close to the School.
