No. 276A. Proceedings of the Board of Revenue, dated 5th December 1865, No. 7,760.

Read the following letter from the Collector of Trichinopoly, to the Acting Secretary to the Board of Revenue, dated 23rd October 1865, No. 223.

1. I have the honor to bring to the notice of the Board that the period of six months, during which the temporary establishment sanctioned, for the acquisition of lands required for the Erode Extension,

Board's Proceedings, 16th May 1865, No. 2,520.

has been allowed to be retained, expires on the 31st of this month.

2. From the quarterly statements submitted from this office, the Board, I believe, are aware of the amount of work done with the aid of this establishment. The statements for the last two quarters are under preparation; they are the bulkiest of all that have hitherto been rendered to the Board's office.

3. The payments made, till now, amount to two lacs of Rupees; and notwithstanding every exertion used to complete disbursements within the end of this month, there still remains much to be done, and all future payments must be made on bills pre-audited by the Controller of Public Works Accounts, agreeably to the Board's Standing Circular, No. LXII., dated the 21st of September 1865.

4. It becomes, therefore, absolutely necessary that this establishment should be retained for at least four months more, and I beg accordingly to request that you will be good enough to obtain the necessary sanction for my incurring the expenditure proposed in the accompanying tabular statement.

No. 276B. Proceedings of the Board of Revenue, dated 13th December 1865.

Read the following letter from the Collector of Trichinopoly, to the Secretary to the Board of Revenue, dated Trichinopoly, 6th December 1865, No. 266.

1. I have the honor to solicit your attention to my letter No. 223, dated the 23rd October last, requesting orders for the purpose of continuing for a further period of four months, the temporary establishment sanctioned to aid Deputy Collector Raghunada Rao in settling compensation for the lands taken up for the Erode Extension of the Great Southern of India Railway.

2. In anticipation of the sanction thus solicited, I have permitted Raghunada Rao to retain the establishment, as every man is fully occupied. This course I was obliged to adopt under an apprehension that in the event of my discontinuing the establishment until the sanction applied for is communicated to me, Raghunada Rao will be put to much inconvenience and in fact prevented from carrying on his work.

3. As I am unable to pay the salary of the establishment (already due for the last month) until the required sanction is received, I shall feel obliged by your taking the necessary steps to obtain and communicate the same to me at an early date.

Submitted for the early orders of Government, in continuation of the Board's Proceedings, dated 5th December 1865, No. 7,760.
