Proceedings of the Madras Government, Revenue Department, *4th January* 1866.

No. 23. Read the following letter from the Officiating Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Waltair, 4th December 1865, No. 2,002:—

1. I have the honor to report that a piece of land (about nine acres in extent) belonging to the Mocasadar of Gurundorapolem, in the Golgonda Talook of the Vizagapatam District, was taken up for one of the channels* excavated under the Gubbada Anicut in No. I. Range of the Vizagapatam District.

* Sanctioned in G. O. No. 3,331 of 20th November 1863.

2. The Collector of Vizagapatam urges the necessity of paying to the Mocasadar an annual compensation of Rupees 43-10-0 (the average collections on the land from Fusly 1270 to 1274), and the payment is to be made from the current Fusly 1275.

3. I therefore do myself the honor of requesting that the necessary sanction of Government may be accorded to the payment in question, and that, if the funds now required cannot be found from the current year's reserve, sufficient provision for Fuslies 1275 and 1276 may be made in the Budget for 1866-67.

Referred to the Revenue Department, with reference to the Orders in the Financial Department No. 551, dated 28th October 1864.
