Proceedings of the Madras Government, Public Works Department, 16th January 1866.

No. 389. Read the following letter from the Consulting Engineer for Irrigation and Canal Company, to the Secretary to Government, Department Public Works, dated Madras, 4th January 1866, No. 134 :—

I have the honor to request permission to remove, from the List of Unanswered References of this Office, the Order of Government No. 1,399 of the 13th May 1864, as it is not at all probable that any full report on the result of the stock-taking of the Company's stores for the official year ended 30th April 1863, will be prepared by the Agent, as his whole attention has been given to that for the year ended 30th April 1865, which will include all previous transactions, and will, when finally disposed of, provide for all adjustments which may be found necessary up to that date.

No. 390. ORDER THEREON, 16th January 1866, No. 187.

ACCOUNT, No. 37.

Under the circumstances which are explained in the foregoing letter, authority is granted for the omission of the Order under date the 13th May 1864, No. 1,399, from the Unanswered Reference List of the Consulting Engineer for the Madras Irrigation and Canal Company.
