MADRAS RECORD OFFICE.

Government of Madras.

Public Works DEPARTMENT.

G.O. No. 191	Press
396-397	~~Mis.~~
Dated 17 — / —	18 68 .

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
17th January 1866.*

No. 396. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Salem, 9th January 1866, No. 58 :—

1. I have the honor to request that I may be authorized to move the head quarters of the 5th Division temporarily to Cuddalore. I have not yet been into South Arcot, and I find that my predecessors, during the last three years, were very little in it. Many large and important works are now in progress in that district, and there are several matters to be settled on the spot—the Vicravandy channel dispute in the French territory for instance.

2. I have been nine months in the Salem District, and during that time, I have been five times to Bangalore. The sites of all the new buildings at that station have now been fixed, and sanctioned estimates to a large amount are now in the hands of the Executive Engineer, so that it will not be necessary for me to go there again for the next three months.

3. It is not easy to carry on the current business of the Division while inspecting works in one district, if the office is in another, and it will be better to have the head quarters part of the year at Salem, and part of the year at Cuddalore. The undrawn balance of the travelling and contingent allowances of the office is much more than sufficient to meet the cost of the present transfer. On future occasions it will not be necessary to move any office furniture, and the number of clerks in the Superintending Engineer's Office having been much reduced, the travelling charge for one or at the most two journeys in the year will be insignificant, and the work of the Department will be carried on much better.

No. 397. ORDER THEREON, 17th January 1866, No. 191.

ESTABLISHMENT, No. 34.

Under the circumstances which are explained by Lieutenant-Colonel Foord, in his letter above recorded, the Governor in Council authorizes the removal, as a temporary measure, of the head quarters of the 5th Division from Salem to Cuddalore.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,

Secretary to Government.

To the Superintending Engineer, of the 5th Division.

„ Controller of Public Works Accounts.

Ed. T. O'Connor.

Superintending Engineer's Office.
Salem 9th January 1866.

From

The Superintending Engineer,
5th Division.

To

The Secretary to Government,
S. P. W.

Sir,

I have the honor to request that I may be authorized to move the Head Quarters of the Fifth Division temporarily to Cuddalore. I have not yet been into South Arcot and find that my predecessors during the last three years were very little in it. Many large and important works are now in progress in that district, and there are several matters to be settled on the spot, - The Viravandy channel dispute in the French Territory for instance.

I have been nine months in the Salem district, and during that time, I have been five times to Bangalore. The sites of all the new buildings at that Station have now been fixed, and sanctioned estimates to a large amount are now in the hands of the Executive Engineer, so that it will not be necessary for me to go there again for the next three months.
