*Proceedings of the Madras Government, Public Works Department,
17th January 1866.*

No. 398. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 28th December 1865, No. 3,410:—

1 Estimate (abstract).
1 Traffic Return.

That part of the Arnee, Chetput, and Ginjee road which lies between Arnee and Vennamangalum in the North Arcot District, a distance of eight miles, has been made out of Local Funds, but as it lies in Zemindary limits the Collector of the District objects to giving Local Funds for its maintenance, and the road is going to ruin. Had the Income Tax continued it was my intention to have applied for a sum of money out of these funds. I am now compelled to apply for a grant from Imperial Funds, and have the honor to forward an estimate for 1,200 Rupees for the up-keep for one year, which I request that the Government will be pleased to sanction. It is true that only four months of the year remain, but the whole sum, Rupees 1,200, can be most advantageously spent, considering the state into which the road has been allowed to fall. I regret that I cannot suggest any savings which can be diverted to meet the funds applied for.

No. 399. ORDER THEREON, 17th January 1866, No. 192.

CIVIL WORKS, No. 69.

No. 99, dated 16th October 1865, circulated with
G. O. No. 3,468, dated 17th November 1865.

Under the views which are expressed in the Orders of the Government of India marginally noted, His Excellency in Council is unable to sanction a grant from Imperial Funds for the maintenance of the portion of the Arnee and Ginjee road which is referred to in the foregoing letter. Arrangements should therefore be made for the cost of its annual repair being defrayed from the Local Funds of the North Arcot District.
