Proceedings of the Madras Government, Public Works Department,
17th January 1866.

No. 402. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Cuddapah, 19th December 1865, No. 184 :—

1. On my way from Anantapoor in the Bellary District to Cuddapah, I passed along the road from Anantapoor to Tadpatri, and could see, from the marks of the wheels and the number of carts that I met, that there must be a considerable traffic along this road. Mr. Wilson informed me that about two or three months ago he observed the traffic on the road, and found it to be about three or four hundred bandies daily.

2. This line of road is and will be a most important Railway feeder, and I would beg therefore strongly to recommend that the amount entered by me in the Budget of 1866-67 may be allowed, so that the road may be pretty well opened out by the time the Railway reach Tadpatri.

No. 403. ORDER THEREON, 17th January 1866, No. 194.

CIVIL WORKS, No. 71.

The Government regret that it will be impossible to provide any funds in the Budget of the ensuing official year for the road from Anantapoor to Tadpatri, as the money that will be available for expenditure on new works in that year is far too limited to meet the numerous demands of Superintending Engineers for works of equal importance already in progress.

Sir,

On my way from Arcanacapoor in the Bellary District to Cuddapah I passed along the road from Arcanacapoor to Sandpoor and could see, from the marks of the wheels and the number of carts that I met, that there must be a considerable traffic along this road. Mr Wilson informed me that about two or three months ago he observed the traffic on the road and found it to be about three or four hundred bandies daily.-

2. This line of road is and will be a most important Railway feeder and I would beg therefore strongly to recommend that the amount entered by me in the Budget of 1866/67 may be allowed, so that the road may be pretty well opened out by the time the Railway reaches Sandpoor.-
