Read the following letter from the Agent Great Southern of India Railway, to the Consulting Engineer for Railways, dated Negapatam, 9th January 1866, No. 1,922.

I regret to report, for the information of Government, that the Salt traffic over this Railway from Negapatam has again ceased, through the inability of the Salt Department to meet the wants of the merchants at this Depôt. Since the last two or three weeks no Salt has been sent from the Negapatam Railway Station.
